OBSTRUCTION OF JUSTICE**

**PRESS RELEASE**

Susan W. Brooks, United States Attorney for the Southern District of Indiana, announced that PHILIP J. BISIG, 49, Louisville, Kentucky, was sentenced to 2 years probation and 6 months of home detention with electronic monitoring today by U.S. District Judge John Daniel Tinder following his guilty plea to obstruction of justice. According to Sharon M. Jackson, who prosecuted the case for the government, Judge Tinder ordered BISIG to perform 300 hours of community service. Bisig was fined in the amount of \$1000.

This case was the second set of charges evolving from a four year investigation by the Southern District of Indiana Health Care Fraud Task Force. In 2002, Bisig's spouse, Peggy A. Bisig, was charged in a \$1.9 million Medicaid/Medicare fraud scheme through Peggy Bisig's

company, Home Pharm-Assist, Inc. that was located in Louisville, Kentucky. During the investigation and prosecution of Peggy Bisig, both Bisigs were under a court order not to transfer and dissipate their assets. During the prosecution of Peggy Bisig, both Bisigs began forming another company and transferring the assets of Home Pharm-Assist to the new company in violation of the court's order and in violation of the terms of Peggy Bisig's September 2003 plea agreement where she agreed to forfeit the assets of Home Pharm-Assist. Peggy Bisig was sentenced in December 2003 to 51 months imprisonment for her fraud scheme and obstructive conduct.
